

# HARVEST TO MARKET GRANT

## Get ready to make your local food business case

### Support for Rural Entrepreneurs

- Expected to open in June 2026 and close in August 2026
- Grants up to \$25,000
- Estimated 6-month project timeframe
- For investments focused on serving local and regional food markets
- For select rural counties in Kansas and Missouri

### Project Priorities

Post-harvest and go-to-market investments, such as:

- Processing equipment
- Distribution equipment
- Logistics systems
- Marketing investments

Priority will be given to collaborative projects involving multiple farm and/or food businesses, such as pooling products to fulfill larger orders.

### Get Started Now

Get help making the business case for your proposal.
